### Current research and fieldwork

---

- 2015 - current Project on Scientific and Economic Diplomacy
- 2012 Member of Copenhagen Biofuel Research Network (COBREN) with partners from Copenhagen Business School, Danish Institute for International Studies, Danish Technological University, Copenhagen University (Law Department).
- 2009 – current China-DK (comparative) projects; three to four visits to China annually:
  - I. The emergence of global innovation networks in the wind industry. Partners: DTU/RISØ, DTU, and Chinese Academy for Science Technology and Development.
  - II. Global innovation networks of Danish companies in China and Chinese companies in Denmark. Consequences for home and host economies in this bi-

directional process. Focus on upgrading and mobilization within different innovation policy regimes (EU/Denmark and China). Chinese partner: Graduate University of Chinese Academy of Science (GUCAS),

III. Beyond global value chains. What happens when networks develop beyond mere production to also include flows of knowledge, innovation, standards and norms?

- 2010 - current 'Organizing Innovation across Borders: Danish MNCs' innovation activities in Asia'. Partners: Center for Business and Development Studies (CBS), Institute for Development Studies (University of Sussex); Aalborg University (Rasmus Lema).
- 2009 - 2011 'Impact of Networks, Globalization, and their Interaction with EU Strategies' INGINEUS. EU FP 7 project on global innovation networks with 11 countries of which 7 in Europe and 4 emerging economies.
- 2008 - 2009 Globalization or Internationalization of large Danish companies. A project on internationalization in large Danish companies.
- 2005 3 months fieldwork in India (Calcutta, New Delhi and Mumbai). Visiting scholarship at Indian Institute of Management (IIM), Calcutta, for my PhD project.
- 2003 3 months fieldwork in Uganda. Affiliation to the Makerere University, Kampala, for my PhD.
